Communications and Influencing Skills (Recommended Training)

WARD ACTIVITY

During lockdown I continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time. This included becoming a volunteer to help vulnerable residents with shopping, prescription collections and generally offering additional support to those who were shielding.

Assisted many residents on various matters relating to housing, planning, waste collection, parking, noise, fly-tipping, overgrown areas, rights of way etc.

Attended quarterly meetings of the Bryn Liaison Committee, discussing issues raised by local residents regarding odours, dust, noise, blasting, etc with external bodies, such as National Resources Wales and Public Health Wales, as well as the local MS and Council officers.

Spoken publicly on a number of occasions throughout the year, addressing the Planning Committee on behalf of the residents raising all the above issues.

I regularly meet with residents regarding individual and local community concerns, and also with Gwent Police to develop a better understanding and closer working relationship, as well as discussing issues within the local area such as anti-social behaviour etc.

Residents can contact me via email, telephone or via my social media page.

I will continue to passionately support and represent the interests of residents and the local community to the best of my ability.
