WARD ACTIVITY

During lockdown I continued carrying out my role as a Councillor representing my community and providing assistance during a difficult time. The community council activity for scheduled meetings, sub-committees and working groups has continued since March by the use of IT technology, with full representation of residents and organisations queries and enquiries.

I held a number of surgeries at Trecenydd and Penyrheol Community Centres and constituents are also welcome to contact me in via telephone, email or in person (when restrictions allow). All enquiries are dealt with on a personal response approach.
