1. Proposal Details			
Lead Officer	Head of Service	Service Area & Department	Date
Jared Lougher	Rob Hartshorn	Community & Leisure	June 2021

What is the proposal to be assessed? <i>Provide brief details of the proposal and provide a link to any relevant report or documents.</i>
<p>At the end of November 2018 Welsh Government (WG) announced a £15million Community Hub Grant. This grant was accessible to all Local Authorities and Further Education establishments via a bidding process.</p> <p>Officers submitted a Business Case to Welsh Government to access this grant which was successful for the construction of an athletics hub to serve the borough.</p> <p>The construction of the athletics hub on the school fields located at Rhiw Syr Dafydd Primary School consisting of a 300m x 6 lane plus 6 lane sprint straight is now complete. This also included a flood lit synthetic running track area, a fan for off field events e.g. high jump, long jump, shot put, javelin and discus. The amount of the works totalled £755k. This facility will be accessible for all schools within the county borough and the wider community.</p> <p>To fully maximise the new athletics hub provision, officers have sought expressions of interest in relation to the usage of the hub. Prior to allocations of any bookings based on expressions of interest, Members are asked to agree a pricing structure to implement as part of this proposal.</p>

In order to develop a pricing structure, officers have undertaken a bench marking exercise across Wales for provision of a similar nature, to ensure transparency and fairness in compiling a local Caerphilly pricing structure fit for the dimensions of the sporting offer for the County Borough. The information gathered has been included as appendix 1 to the cabinet report.

An Equality Impact Assessment has been previously undertaken in relation to this proposal as part of the Cabinet report brought on the Welsh Government Community Hub Grant 2019/20.

The National School Sport Surveys of 2015 and 2018 highlighted that there is significant demand in Caerphilly for Athletics and that our young people in Caerphilly want to participate more in athletics, but the lack of facilities is a major barrier to participation.
