Gwent Police has received an application for a premises licence under the Licensing Act 2003 in respect of the above-named premises.

Having visited the site and spoken to the applicant, whilst Heddлу Gwent Police do not wish to object to the application it has concerns regarding the use of the outside area late at night. Given its location there is a potential for crowds of people to congregate outside which could cause a nuisance/disturbance in the area, there are a number of residential properties in close proximity.

Heddлу Gwent Police would advocate that the use of the outside area be restricted to 2200hrs.

The addition further CCTV which currently consists of 4 external cameras only would undoubtedly assist in promoting all four of the licensing objectives.

Having regards to the above and the conditions proposed by the applicant Representations have been made on the following grounds which Gwent Police believe would assist the applicant in promoting one or more of the Licensing Objectives, and would therefore request the following conditions under the 4 licensing objectives :

- 1. The Prevention of Crime and Disorder**
- 2. Public Safety**
- 3. The Prevention of Public Nuisance**
- 4. The Protection of Children from Harm**

Gwent Police would therefore request the following conditions:

1. The use of the outdoor area be restricted to 2200hrs.
2. The premises supervisor, manager or other competent person shall manage any outdoor area to ensure that customers do not behave in a noisy, rowdy or offensive manner.
3. CCTV shall be in use at the premises.
  - (i) Where a CCTV system is to be installed, extended or replaced, it shall be to an appropriate standard as agreed with the Licensing Authority in consultation with the Police. Where a CCTV system is to be installed, it shall be fully operational by the grant of the licence.
  - (ii) The CCTV equipment shall be maintained in good working order and continually record when licensable activity takes place and for a period of two hours afterwards;
  - (iii) The premises licence holder shall ensure images from the CCTV are retained for a period of 31 days. This image retention period may be reviewed as appropriate by the Licensing Authority;
  - (iv) The correct time and date will be generated onto both the recording and the real time image screen;
  - (v) If the CCTV equipment (including any mobile units in use at the premises) breaks down the Premises Licence Holder shall ensure the designated premises supervisor, or in his/her absence other responsible person, verbally informs the Licensing Authority and the Police as soon as is reasonably practicable. This information shall be contemporaneously recorded in the incident report register and shall include the time, date and means this was done and to whom the information was reported. Equipment failures shall be repaired or replaced as soon as is reasonably practicable and without undue delay. The Licensing Authority and the Police shall be informed when faults are rectified;
  - (vi) The premise licence holder shall ensure that there are trained members of staff available during licensable hours to be able to reproduce and download CCTV images into a removable format at the request of any authorised officer of the Licensing Authority or a constable;
  - (vii) There shall be clear signage indicating that CCTV equipment is in use and recording at the premises during licensable hours.
  - (viii) CCTV to include all external and internal licensable areas.
4. The premises licence holder shall ensure that a clearly visible notice will be placed on the premises advising those attending, that the Police will be informed if anyone is found in possession of controlled substances or weapons.
5. Clear notices must be displayed at all points where customers leave the building instructing them to respect the needs of local residents and leave the premises and the area quietly.
6. The licence holder/DPS or responsible person shall risk assess the need for polycarbonate or toughened glasses to be used in the premises, especially for outdoor events/use.

7. A 'Challenge 25' policy will be in place for checking persons suspected of being underage. No alcohol shall be supplied to a person who appears to be under the age of 25 unless they provide identification that proves that they are 18 years of age or older when the alcohol is supplied. The only acceptable forms of identification for proof of age shall be a passport, a photo card driving licence, an EU/EEA national ID card or similar document, or an industry approved proof of age identity card. The proof of age scheme will be robustly enforced by the DPS and all staff. Posters stating that the age verification scheme is in operation shall be clearly displayed in the area of the bar.
8. All refusals will be kept in a refusals book detailing the time, date, and the goods the person serving refuses and the name of the persons who tried to purchase. If no name is given, then a good description will be recorded. This documentation should be available for inspection on request by an authorised officer of the Licensing Authority or a Constable.
- 4 Any person working in the premises is to be trained with respect to underage sales and in how to refuse sales to difficult customers. Safeguarding training should also be undertaken with all staff. Such training shall be updated as necessary when legislation changes. Training should be clearly documented, signed and dated by both the trainer and the person receiving it. This documentation should be available for inspection on request by an authorised officer of the Licensing Authority or a Constable.
- 5 Disorderly customers will be asked to leave the premises.

The aforementioned are proposed to assist in promoting the key licensing objectives. If the applicant wishes to discuss any issues they are welcome to contact me.

If the applicant agrees to the above representations then Gwent Police will withdraw their Objection.
