Which of the four Licensing Objectives does your representation relate to?	Yes Or No	Please detail the evidence supporting your representation or the reason for your representation.
The prevention of crime and disorder	No	
Public safety	No	
The prevention of public nuisance	Yes	<p>Following a visit to the above premises on 18 May 2021, the Pollution Control Team is of the opinion that the application submitted has the potential to undermine the licensing objective 'The Prevention of Public Nuisance'.</p> <p>The allowance of licensable activities such as the supply of alcohol along with regulated entertainment within outdoor areas encourages the congregation of sizable</p>

		<p>crowds of patrons for elongated time periods which has the potential to cause significant disturbance within the nearby residential vicinity, especially in external areas.</p> <p>As discussed with the applicant, whilst it is accepted that the introduction of the Live Music Act 2012 makes certain allowances regulated entertainment within licensed premises, it is not believed by this Authority that this Act was intended to de-regulate to the extent that other legislation such as the Environmental Act 1990 is contravened.</p> <p>The wording of the licensing objective suggests that the licensing regime is intended to 'prevent' occurrences of nuisance not to create instances where a noise nuisance occurs.</p> <p>Therefore, in addition to the conditions recommended by the Heddlu Gwent Police and the Licensing Authority, I would require the following conditions/ advice to be accepted by the applicant before any objections are withdrawn.</p>
The protection of children from harm	No	

<p>What conditions could be added to the license to remedy your representation that the Licensing Sub-Committee could take into account.</p>	<ol style="list-style-type: none"> 1. The volume of amplified/unamplified live and recorded regulated entertainment must be at a level so as not to cause a nuisance at the nearest residential property. 2. The use of all outdoor areas of the premises is not permitted after 22:00. Other than access solely for the use of a smoking area. 3. The smoking area shall not exceed the capacity of 5 persons at any one-time post 22:00. 4. No alcohol shall be consumed or taken into any outdoor area post 22:00. 5. 	<p>6. The manager, licence holder or other competent person shall carry out observations at the boundary perimeter during the periods of amplified/ un-amplified recorded entertainment at regular intervals whilst the Premises Licence is being exercised, in order to establish whether there is a noise breakout from the premises. If the observation reveals noise breakout at a level likely to cause disturbance to the occupants of properties in the vicinity then the volume of music shall be reduced to a level that does not cause disturbance.</p> <p>a. A record of such observations shall be kept in a book for that purpose, such a book shall be completed immediately after the observation detailing the time, location and duration of the observation, the level of noise breakout and any action taken to reduce noise breakout. Such book to be made available at all times upon request to an authorised officer of the Licensing Authority or a constable.</p> <p>7. Adequate notices shall be displayed in appropriate locations to ensure that this information is brought to the attention of patrons.</p>
<p>Are you prepared to discuss these representations with the applicant by way of mediation?</p>	<p>No/ Yes</p>
