WARD ACTIVITY

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time.

- Many personal interventions on behalf of residents, which are of a private nature and not for publication. Residents are welcome to contact me via telephone or email.
- I am currently trying to turn Dol-y-Felin Street into a one-way system with full support from the residents.
- Trying to resolve the issue relating to waste ground at the junction of Pontygwindy Road and Lawrence Street.
- Supported the Community Allotment, Mill Road and acquired a steel container for their use.
- Will continue efforts to remove the traffic issue caused by the crossing arrangement at the entrance to Morgan Jones Park.
- Worked with colleagues on the Town Council to take over the flower displays in and around the Town from the County Council.
