WARD ACTIVITY

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time.

Spoken at Cabinet in regard deferment of car parking charges within town centres, and also raised concerns about cost of parking at Cwmcarn.

In October, I tabled a motion to Council requesting a review of street lighting throughout CCBC.

Raising concerns on delayed information requests and recycling issues, and tabled questions on Education and remote learning within CCBC at full Council.

Written to Health Board and Vaughan Gethin. Minister for Health & Social Services, on the vaccination process, procedures and timescales for Caerphilly and Blackwood residents
