WARD ACTIVITY

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time.

As a retired teacher I have a keen interest in all educational issues. I have also been appointed to participate in a working group to investigate and provide proposals for the rationalisation of sixth form education in the Rhymney Valley.

When restrictions allow, I provide a regular 'drop - in' surgery for my constituents, as well as providing newsletters to update residents on any issues and progress within my Ward.

I attend meetings of the local Partnership to assist with improvement projects with the community.

I have represented the concerns relating to housing development at planning meetings and I am constantly monitoring progress of these developments on residents' behalf.

Ward activities have been curtailed by Covid 19, but I have continued to address much of my face to face Ward activities via the internet.
