## Environmental Health Representation

## APPENDIX 6

	<p>NOTE: Whilst it is accepted that the introduction of the Live Music Act 2012 makes certain allowances for regulated entertainment within licensed premises, it is not believed by this Authority that this Act was intended to de-regulate to the extent that other legislation such as the Environmental Act 1990 is contravened.</p> <p>The wording of the licensing objective suggests that the licensing regime is intended to 'prevent' occurrences of nuisance not to create instances where a noise nuisance occurs.</p> <p>Therefore, we would urge the persons responsible under any License granted to be mindful when providing regulated entertainment covered by such exemptions so as to not cause a public or statutory nuisance under the Licensing Act 2003 or the Environmental Protection Act 1990 respectively.</p>
Are you prepared to discuss these representations with the applicant by way of mediation?	No Yes

N.B If you make a representation you will be expected to attend the Licensing Sub-Committee and any subsequent appeal proceeding.
