

Hi Rhys

Thank you for the email including objections to the sale of alcohol licence. We recognise the concerns and hope to work with the local residents.

We are first and foremost a good quality restaurant serving authentic Sri Lankan food as you know already. We hope to aim for the type of clientele who want good food and good service in a tasteful environment. There are five en-suite bedrooms upstairs which we plan to upgrade to provide rooms for B&B so we need to provide a calm environment. We do not wish to attract large groups whose main aim is to drink. We are an eating establishment. In order for that we will amend the hours we have applied for in the week Monday, Tues and Wednesday from 12 pm until 22 hrs and then Thurs, Friday, Saturday 11am until 24 hrs And then Sunday 11am until 21hrs Only those that have ordered food towards the end of the night and before the kitchen closes will be served alcohol until the licensed time. The mentioned times are for sale of Alcohol and times will differ from opening hours.

We are fortunate to have a decent sized car park for our customers and those being dropped off by taxi. We will ensure that customers leaving the restaurant do so in a mindful manner with notices put up. We are in the process of installing CCTV inside and outside the property and those wishing to dine outside will be monitored by the designated supervisor or waiting staff at regular intervals and any concerns reported to a senior staff member to deal with.

We hope that the neighbouring residents are reassured with the above. Please let me know if there is any suggestions. We tried our best.

Many thanks

best regards
Medha
