

PUBLIC SPACE PROTECTION ORDER CONSULTATION - ANTI-SOCIAL BEHAVIOUR & DRINKING ALCOHOL IN A PUBLIC PLACE (23/07/2021 – 02/09/2021).**Summary Report**

Public Spaces Protection Orders (PSPOs) were introduced by the Anti-social Behaviour, Crime and Policing Act 2014 and can be used to regulate activities in particular public places to ensure that the law-abiding majority can use and enjoy public spaces safe from anti-social behaviour. As such, these Orders provide an opportunity to enhance the Council's enforcement ability to respond to anti-social behaviour and drinking alcohol in a public place. Caerphilly County Borough Council introduced several PSPOs in 2017 to address anti-social behaviour and drinking alcohol in a public place.

At its meeting of 22nd June 2021 Environmental and Sustainability Scrutiny Committee endorsed a proposed public consultation on the extension, renewal and amendments to the existing PSPOs for ASB and drinking alcohol in a public place. A public consultation was launched on 23rd July for a period of 6 weeks. This summary report provides details on the outcome of the consultation.

Method

The consultation was open to residents and stakeholders from the 23rd July 2021 for a period of 6 weeks.

The consultation period was enhanced by a variety of communication methods such as messages via the Council's website and social media accounts and leaflets and posters that were distributed across the county borough to raise awareness of the consultation.

The key consultation tool was a questionnaire. Due to the restrictions imposed due to Covid 19 the consultation was carried out primarily online.

The survey was made available bilingually to residents for online completion via the Council's Website and shared on social media. Posters were displayed in prominent locations at parks, shops etc., a paper survey was also available on request.

Stakeholder groups were contacted directly via e-mail and invited to respond to the survey. Those contacted included: Gwent Police - Chief Constable, local Inspectors, Sergeants and Crime and Disorder Reduction Officers (CADROs). The Gwent Police and Crime Commissioner, Community Safety Partners and Town Council representatives.

Key Findings

Throughout the consultation period a total of 127 surveys were completed online. Of those who responded to the survey, 84% of the respondents were residents living in the county borough. A total of 94% of people agreed with the proposal to extend the current PSPOs for a period of three years. A total of 96% agreed to vary some areas to include restrictions for anti-social behaviour. cf81 8ja	I also believe the river area in gilfach should be included as every Friday dozens of young people congregate in and around this area drinking, playing very loud music, shouting and being a general nuisance. There are 30 to 40 people every Friday going to the river behind the Capel and basin football field and it is a nightmare when they are going to and from the area because of the sheer number of them and the noise and drinking
CF82 7FN	Birchgrove, Tirphil, New Tredegar NP24 6AH needs to be considered for a PSPO. Annual complaints during Spring and Summer are being received by CCBC Tenancy Enforcement Section and Gwent Police from residents about tenants from Birchgrove Flats and other undesirable characters frequenting the vicinity. The complaints are centred around general ASB, Noise Nuisance (shouting, screaming, swearing etc) and criminal offences. The catalyst for this behaviour can partly be attributed to groups of persons consuming alcohol in public places at the front of the Birchgrove Flats and the vacant / disused ground opposite. The frequent consumption of alcohol throughout the day leads to further incidents. The area has heavily become resource dependent by Gwent Police, TES, CSW's and has been established as a POP plan area. The introduction of a PSPO will be beneficial in stopping the congregation of groups drinking and leading to further incidents later in the day, it will give the local Police and designated council staff the much needed powers to tackle the problem in a positive way which is having a detrimental effect on those residents within the locality.
cf83 8ep	needs to include Bedwas
CF82 7FE	its all good and well you extending these orders, the council and police need to start using them. some nights of the week and on the weekends ystrad park is a no go after certain time of night. and as i live on the forge mill estate we have to put up with the teenages stealing our bins to burn them over the park.
CF83 3PU	PSPO's can inly be truly effective if enforced consistently by the various agencies (Community Safety Wardens /Police Officers and Community Suport Officers)
Cf831au	Morgan Jones park needs to be made safer for families to be able to use it as it should in the evenings instead of it being used as a meeting place for drinking and drugs for teens
NP22 5EA	I agree with extending it but I feel Rhymney has been left out and considering the issues that have been presented to Council officials and Gwent Police I can't believe they are not on the list now.
NP22 5JZ	Rhymney War Memorial Park Library Car Park in Rhymney iestffodd field rhymney
Np225dj	I would like to see security in these areas at night and day
Np225lq	They should be jailed not moved on
NP24 6AY	The designation of the area as a PSPO is only as good as the awareness that exists in our communities, therefore communications, local signage and the ongoing enforcement of the order are hugely important. If these things are not followed up the PSPO become a token gesture.

Np22 5nb	The amounts of youngsters drinking is starting to get out of hand. They are intimidating, abusive and due to their age they shouldn't even be drinking. I shouldn't have to fear going to my property at night and wondering whether my door is going to be safe through by some children
CF83 3AY	Community police will need to visit these areas on a regular basis to enforce these public space protection orders.
cf83 3bb	these proposals will not have a detrimental effect on people who are law abiding
CF832NU	Laws must be upheld and people who break them punished
Cf83 4ep	Abertridwr & Senghenydd needs more patrolling as there is a lot of Drug abuse going on in there area
Cf83 2qr	I would like to see a PSPO added which covers the area near Energlyn train station
Cf83 3nu	I have said all I need to say, thanks.
CF83 3JB	Morgan Jones Park in Caerphilly is an area of concern for drinking. This should be tightened up.
CF81 8QP	IT WOULD BE USEFUL IF THE ORDERS WERE INFORCED WITH SOME GREATER REGULARITY, MUCH OF THIS TYPE OF ANTI SOCIAL BEHAVOIUR GOES UNPUNISHED, THE RESIDENTS HAVE NOW BECOME SO USED TO A.S.B IT HAS NOW BECOME THE NORM
NP11 7PF	More help is needed in Crosskeys as the antisocial behaviour is getting beyond and with the behaviour from the residents of the solar strand and the Westwood villas it can be quite scary
Cf83 1bw	The areas should be extended to include Morgan Jones park in Caerphilly
NP12 3QW	Hopefully more locations throughout Caerphilly County Borough can be included as time goes on. Everyone should be able to feel 'safe' when out in public areas.
Np11 7at	Please think about adding Crosskeys corner and train station to the list as the kids hang around here every night from all areas causing mayhem.
Cf831ap	What about Morgan Jones Park? Being verbally abused by teenaged sitting loitering around drinking littering you name it they're doing it.
Cf83 3RT	Education,, when I spoke to children who wanted come see fire engines arrive to put out bin fires in the parks plus surrounding area, they were not aware what was burning or that smoke from fires is can be extremely li dangerous. Also keeping environment and water clean for our health and food to grow education.
NP12 3AE	could the above proposals be added onto Cefn fforest and Pengam Eco Park, including Dylan Avenue as this is the main entrance to the park.
NP115FA	These children hang around the old post office that houses ex criminals a lot.
CF83 3FZ	More dog bins would be good

NP12 2QE	No
Cf83 1hq	It would prevent me and my family taking alcohol to a picnic as is our right
Np225dj	Should sexuality also be included on this list
NP24 6AY	No
Cf83 4dx	Of feel that these proposals will have a positive effect of they are policed because as a woman I would feel safer.
CF834DB	The proposals will protect people, protect the environment and encourage law abiding people to engage more in the community without fear for their safety.
NP12	MANY RESIDENTS ARE AFRAID TO USE OUT DOOR AREAS IN OUR TOWN CENTERS IN THE EVENINGS AND WEEKENDS BECAUSE OF THE LARGE GANGS OF YOUTHS WHO GATHER DRINKING ALCOHOL AND INDEED DRUG MISUSE MANY PLACES ARE LITTERED WITH BROKEN GLASS AND LOADS OF NOX CANISTERS
Cf83 1bw	I am happy with all the restrictions you are planning and happy for you to introduce more. If you abide by the law then you won't get into trouble. It's that easy. The laws need to be there for the people that think they can do what they want and when they want. We've become a society of 'it's all about ME' and they have total disregard for others. I've found that the majority of people these days have very little respect for others or their elders.
NP12 1DE	Anybody have the right to be in public places without giving a name or address if no crime is being committed
CF83 8DE	This anti-social behaviour needs stopping now before someone gets seriously hurt.
NP11 4QY	being disabled i think it is needed
