ANNEX B

Public Consultation

on the Public Spaces Protection Orders relating to anti-social behaviour and drinking alcohol in a public place.

Date opened: Friday 23rd July 2021

Date closes: Thursday 2nd September 2021

Overview: Caerphilly County Borough Council is inviting local people to have their say on the proposal to vary, extend and introduce new Public Space Protection Order's (PSPO) relating to anti-social behaviour and drinking alcohol in a public place within Caerphilly County Borough.

Why are we consulting: Caerphilly county borough council has several existing powers in relation to anti-social behaviour and drinking alcohol in public places within the county borough. The Public Space Protection Order (PSPO) has allowed the Council to introduce a range of restrictions that have helped control anti-social behaviour in our communities. The Council is proposing to continue using these powers through:

- extending the current PSPO's for a further 3 years,
- varying some of the existing areas to include additional restrictions for anti-social behaviour,
- introducing several new areas.

Ways to give your views: The QR Code will direct you to the online survey.
(a postal survey available on request)

Date results are expected: 7th September 2021

Expected outcomes: Support for the proposal, which promotes safe access to public places throughout the county borough.
