## **CONSTITUENCY ACTIVITY**

Although I started to hold surgeries for my constituents, there was very little interest and attendance was poor, it became obviously that residents preferred to contact me in person or on the phone. I meet and speak with my constituents on an almost daily basis and am happy to work on their behalf on all of their issues and concerns.

I have attended planning site visits and spoken on residents behalf, liaised with officers from highways, housing and environmental services on behalf of residents as well as lending a friendly ear for all their problems.
