CONSTITUENCY ACTIVITY

I conducted shared surgeries with my fellow councillors in St Catwgs ward, but I mainly walked around the constituency, which has six villages.

I visited between one or two a week depending on the weather.

I also received telephone enquiries from residents which I then followed up by calling to see those who phoned and discussed any problem they have and tried to resolve them.

I attended PACT meetings and I had regular contact with Denzil Lawrence the Police Support Officer who has helped me with ward issues.

When I walked around the ward I was able to look for potholes in the highways, which I then reported back to the Highways Officers. I also used this as an opportunity to check on other things that could need attention, particular in relation to the problems regarding parking in our area, which I reported to the appropriate departments including the police if necessary.
