As a member of a number of committees in Nelson I worked with them to benefit the community, these included;
NELSON COMMUNITY COUNCIL,
NELSON VILLAGE PARTNERSHIP,
GOVERNOR OF LLANFABON INFANTS SCHOOL,
FRIENDS OF WERN PARK.

I also worked with the Nelson RFC and the Nelson Cavaliers Football Club who both do invaluable work keeping the youth of the village busy and fit.
I assisted residents with any council related issues and also other interrelated issues such as transport, hospitals etc;

I have been aware of and I am currently looking into the proposals for a South Wales Valleys Metro transport system as put forward by Mark Barry at the Institute of Welsh affairs conference, which would be of enormous benefit not only in Nelson, but throughout the region.
