CONSTITUENCY ACTIVITY

I do not hold surgeries my constituents prefer to contact me by telephone and email.

Over the past twelve months I held the position of Town Councillor for the Bargoed ward.

I oversaw the Luncheon Club and Craft Club.

I frequently reported to Highways Officers the concerns from constituents, as well as working with Parks and other Council departments to try and solve any problems and issues brought to my attention.

I worked with the Area Housing Officer to try and find housing solutions for tenants in my ward to the best of my ability.

I worked constantly in community and endeavour to make Bargoed a better place to live and work in.

I was an executive member of the Greater Bargoed Partnership and attended all the events held within my ward I could.

As I love flowers, I have when able, requested to have sites that have been neglected enhanced with flora.
