CONSTITUENCY ACTIVITY

I do not hold surgeries my constituents prefer to contact me in person and by telephone and email.

I am actively involved in the Community being a Community Councillor, Chairman of the Village Partnership, and Chairman of the Village Hall Committee.

Last year I was a Member of the Village Committee set up to oppose major highways alterations through our village and this was very successful, with the proposed scheme being withdrawn.

I was very actively involved with work on behalf of the residents of the Warden Controlled Complex in the village. I also dealt with numerous housing enquiries both from the repairs angle and the allocation of housing requests.

As do all local Councillors, I dealt with personal enquiries to supply references for people, passport applications and provide advice on where to find help and support for people experiencing financial difficulties.

I worked closely with the Police in the area and the local CSO Officers, attended PACT meetings and I am on the OWL electronic system.
