

Please find attached comments regarding the premises license application for Tog Farm, in accordance with the following findings from the site visit made with responsible authorities. :

- Maximum of 10 attendees at any one time.
- Provision of film is to be delivered to individual camping pods with audio provided by projectors, not in a central location.
- Provision of film is available as part of accommodation provision only, meaning access and egress movements later into the evening & night are unlikely – further reducing the potential for public nuisance.

Conditions have been proposed to be agreed with the applicant.

Kind Regards

**Kristian Jennings**
