The Council's Cabinet and Corporate Management Team have been actively involved in discussions and debates around the implementation of the Welsh language Standards since January 2014. A number of reports and presentations have been presented in order to keep them fully informed of ongoing improvements in the provision of services through the Welsh language.

## 1. Welsh Language Standards: Action Plan

Since the Welsh Language Standards were introduced on 30 March 2016, we have developed a Compliance Work Programme to ensure that services we deliver are in accordance with the Standards, that staff are aware of their obligations and that they have the required language skills where possible.

The Compliance Work Programme is summarised below:

### **Correspondence - Standards 4, 5 & 7**

These standards relate to correspondence, which must be bilingual if we do not know language choice or are sending letters out to a number of people regarding the same subject matter. We must ensure that our letterhead is also compliant.

#### **Action taken:**

- FACTSHEET for staff – General Correspondence
- Bilingual auto-signatures on emails for all staff on email along with the following statement:  
*Gallwch ohebu mewn unrhyw iaith neu fformat.Ni fydd gohebu yn Gymraeg yn creu unrhyw oedi.*  
*Correspondence may be in any language or format. Corresponding in Welsh will not lead to any delay.*
- Letterhead templates in place.

### **Telephone – Standards 8, 9, 11, 14, 16, 17, 19, 20, 21 & 22**

These standards relate to how we deal with telephone calls and that a bilingual greeting is given. Staff must be equipped with the relevant language skills to deal with calls in Welsh, and if they are unable, that they know who the Welsh speakers are that are able to deal with the matter, and how to transfer calls. If no Welsh speaker is available to provide the subject specific information the call can be put through to a non-Welsh speaker.

We must state, when we publish main telephone numbers that we welcome calls in Welsh and all our automated telephone systems must be bilingual.

#### **Action taken:**

- FACTSHEET for staff– Telephone Greetings.
- Training delivered to staff to ensure they can give basic greetings and provide reception services in our main locations.
- Welcoming Welsh language calls has been published in **Newsline** since the June 2017 edition.
- Employees provided with desk stands, which are Quick Reference Guides.
- Automated telephone messages for service areas recorded bilingually.
- Answer machine messages for service areas recorded bilingually.

### **Meetings - Standards 24, 24A, 27, 27A, 27D, 29 & 29A**

These standards are about how we invite individuals to meetings and when we must offer them the opportunity to use the Welsh language. If they so wish, we must then arrange simultaneous translation to facilitate that meeting.

If inviting more than one individual to a meeting they must all be asked if they wish to use the Welsh language. However, if at least 10% wish to use Welsh then simultaneous translation must be arranged. If less than 10%, the Welsh speakers must be informed that on this occasion we are not required to fulfil their request to speak Welsh at the meeting.

If the meeting with the individual is regarding their well-being, and they wish to speak Welsh, then simultaneous translation must be provided so that the individual can speak in their language of choice. Well-being meetings must be conducted with simultaneous translation if any attendee has requested that they use Welsh

## 2. Promotion

### St David's Day

We marked St. David's Day this year with the following social media posts:

### Make One Small Change Campaign

On St David's Day we also launched a campaign where colleagues, through a year-long engagement campaign, will be encouraged to 'make one small change' to further their use and understanding of the Welsh language, particularly within the context of the workplace.

The campaign will also utilise national awareness days linked to equalities and consultation throughout the year, encouraging colleagues to consider how they could 'make one small change' in these important areas too.

The key message throughout is that there are many small changes that all of us can make in our daily lives which, collectively, can make a big difference.

Our '[Make One Small Change](#)' campaign will share ideas, tips and encourage colleagues to make a pledge about small changes we can all make to develop a Team Caerphilly that has the Welsh language, equality and engagement even further at its heart.

Here's a video by our Chief Executive Christina Harray launching the campaign:

## Diwrnod Shwmae

Staff and members of the public were encouraged to use Welsh words and provided with vocabulary to use in different settings. They were also encouraged to get involved in a Diwrnod Shwmae quiz hosted by Aneurin Bevan University Health Board.

The Library Service also promoted Diwrnod Shwmae posting a video on their social media accounts - Sut ydych chi'n '#Shwmae'? | How do you '#Shwmae'? – <https://fb.watch/cwS5NZkDkW/>

## Mae Gen i Hawl (Welsh Language Rights Day)

On 7 December we celebrated Mae Gen i Hawl (Welsh Language Rights Day). Again social media presence was key in raising awareness of the event and the rights of Welsh speakers when accessing services.

As part of our promotion to raise awareness of Welsh language rights, we interviewed one of our school teachers who has recently completed the Welsh language Sabbatical Scheme.

The Scheme offers periods of intensive study away from the classroom, for education practitioners to develop Welsh language skills and gain confidence in bilingual and Welsh- medium teaching methodologies. A programme of courses is delivered across Wales under a contract with Welsh Government.

## Internal promotion

As we approached the holiday season in July 2021, staff were reminded of the need to use the Out of Office messages on email accounts. The reminder highlight the need to ensure messages were bilingual and included the electronic version of the desk stands developed when the Standards were implemented.

## Welsh Language Strategy development

The Welsh Language Standards require the council to develop a 5-year Welsh Language Strategy that sets out how it intends to promote the use of the Welsh language, and facilitate the use of the Welsh language more widely in the county borough.

The strategy must include a target (in percentage terms) for increasing or maintaining the number of Welsh speakers in the area by the end of the 5-year period. In addition, the strategy must include a statement setting out how the target will be met. The strategy must be reviewed and renewed at the end of each 5-year period (Standard 145).

In developing the new strategy the council undertook a range of evidence gathering and pre-consultation engagement activities to develop a revised set of actions of the draft 5-year Welsh Language Strategy 2022-2027. These actions will enable us to plan how we will promote the Welsh language and facilitate the use of the language locally to increase the Welsh speaking population over the next five years.

Activities include:

- A review of legislative requirements
- A review of external reports and guidance, including Welsh Government's '**Cymraeg 2050: our plan for 2021 to 2026**', and the Welsh Language Commissioner's guidance '**Standards relating to promoting the Welsh Language**'
- A review of the Council's current Five Year Welsh Language Strategy 2017-2022

## Appendix A

- An analysis of local and national datasets
- Engagement with service delivery managers within the Council
- Engagement with Caerphilly Welsh Language Forum and Welsh in Education Forum

We worked in collaboration with our partners to develop a strategy that builds on our past successes, meets the needs of the Welsh speakers and learners in the county borough, meets the legislative requirements and most importantly, is meaningful, appropriate and achievable for everyone involved. A full list of the partners involved can be viewed in the strategy.

The strategy was approved by Cabinet in March 2022 and was published on our website on 31 March 2022. To view the strategy and the supporting appendices please click on the following link: [5-Year Welsh Language Strategy 2022-2027](#).

At the end of each 5-year period, the council must assess the extent to which the strategy has been followed and the target met. The assessment, which must be published, must include the number of Welsh speakers in the area and the list of activities that have been undertaken to meet the aims of the strategy (Standard 146). Progress against the 5-Year Welsh Language Strategy 2017-2022 can be seen in the report in **Appendix 1**.

### **Careers Wales Video and Careers Wales – World of Work with YG Cwm Rhymni**

Over the past 12 months we have been working closely with Careers Wales to try and build links with our secondary schools, raising awareness of careers with the council but in particular how important having Welsh language skills is in the workplace.

The Senior Policy Officer – Equalities and Welsh Language recorded two videos (Welsh and English versions) to be used in our secondary schools during the lockdown period.

In November 2021, the Senior Policy Officer – Equalities and Welsh Language was invited to attend a 'World of Work Day' at Ysgol Gyfun Cwm Rhymni. The day consisted of delivering a number of presentations during the school day to Year 11 students, promoting career opportunities with the council. The presentation focussed in particular on how important and valuable having and using Welsh language skills are in the workplace. Students were encouraged to wear the 'iaith gwaith' orange speech bubble badges and lanyards to show employers and members of the public that they can speak Welsh.

## **The Position of the Welsh Language 2016-2020**

In the Welsh Language Commissioner's 5-year Report the council were included as a case study in relation to the work undertaken to develop a definitive list of place names to be used on a national level. The list is yet to be formally agreed by the Council but will be taken through the required committees for adoption in due course. To view the case study please click on the following link:

### 3. Commissioner's Assurance Report 2019-2020

#### Evidence of compliance and progress:

##### Correspondence

3 emails received in Welsh but only 2 out of the 3 were responded to in Welsh.

*(Standards 1, 4, 5, 6, 7)*

##### Action taken:

On receipt of the third email, it was initially sent to the translation team to translate the customer's request. The email was then sent to the relevant department. Unfortunately, the email address used to forward the email to was not being monitored and therefore the email was left unanswered. The issue has been raised with the Assistant Director to address this with their teams.

##### Telephone Calls

3 telephone calls received. All three were answered bilingually, however the member of staff noted on all three calls that they are learning Welsh and can transfer the caller to a Welsh speaker. When transferred the call was lost on all three occasions.

##### Action taken:

The phone line has been fully tested and the system is working correctly. When a call is transferred the line is silent, as we do not have any hold music, this is sometimes mistaken by callers as being disconnected.

We recently undertook 3 recruitment exercises for additional Welsh speakers (which were also advertised on Welsh job sites). Unfortunately, on the first two occasions we failed to appoint due to lack of interest. However we are pleased that on the third recruitment round we were able to appoint a fluent Welsh speaker.

##### Website and Social Media

- 1 School Counselling document was not available in Welsh.
- 2 documents and two application forms were on the website, but did not have the required statement on them stating they were also available in Welsh.
- 1 Council Tax form was not available in Welsh.
- 3 out of 15 webpages treated the Welsh less favourably.
- 10 out of 10 tweets available in Welsh, but 3 treated the Welsh language less favourably.
- 9 out of 10 Facebook posts available in Welsh and 2 out of the 10 treated the Welsh less favourably.

##### Action taken:

- The School Counselling document was translated and the webpage updated. The document is now available in Welsh and English.
- The documents, application forms and relevant webpages were updated, and the required statement is on them stating that they are also available in Welsh.
- The Council Tax form was translated and the webpage updated

## Appendix A

- Errors on the 3 webpages were identified, corrected and updated.
- The issues with the 3 tweets appears to be a copy and paste error with line checking eligibility omitted. The team has been reminded of the importance of accuracy and they should ensure that the Welsh language post mirrors the contents of the English post.
- The first Facebook post was only available in English and the second post included a link, which took you to English only information. Both instances were down to human error and the team have been reminded of the importance of accuracy and ensuring that the text is available in both languages before posting.

### **Recruitment**

A forward work plan has been developed to address a number of urgent matters relating to recruitment, including compliance with the Welsh Language Standards. Actions required have been scheduled to be completed by the 31<sup>st</sup> March 2022

### **General Comments**

We recognise that over the past 2 years, our focus has been on dealing with the pandemic and adapting our services to be delivered via different methods. In doing so our priorities necessarily changed and we would have to recognise that our efforts may not have been focused as much as we would have liked on ensuring that our services are delivered bilingually and in accordance with the Welsh Language Standards. We would like to assure you that, as we recover from the pandemic, our desire to support the language is as strong as ever. In light of the non-compliance highlighted in the annual audit and the need to get services back to functioning business as usual, we are aiming to launch an engagement and awareness raising campaign around the Welsh language, equalities and consultation in March.

## 4. Complaints from the Public

### Welsh Language Commissioner Investigations

We use this section of the report to detail any Welsh Language Commissioner Investigations. For the duration of 2021-2022, we received 0 new investigations for the third year in succession.

Members of the public can view the Council's Complaints Procedure for dealing with complaints made through the medium of Welsh via our website using the following link:

<https://www.caerphilly.gov.uk/My-Council/Strategies,-plans-and-policies/Equalities/Welsh-language-Standards>

### Complaints:

The Council's **Strategic Equality Plan 2020-2024** has specific actions, which commits the Council to use its service requests and complaints data to:

- **Equality Objective 1 – Action 5 & Equality Objective 4 – Action 5**  
Identify service needs of specific user groups; what barriers prevent access, and what actions are required to remove those barriers
- **Equality Objective 1 – Action 8**  
Collect equalities monitoring information for compliments and complaints

During 2021-2022, **1** complaint and **6** service requests were received relating to the Welsh language.

The **1** complaint received raised multiple issues:

- Electoral Services letter contained an English web link in the Welsh version.
- Complaints officer could not deal with complaint in Welsh and they want their language preference recorded for future complaints.
- On the Complaints webpage there is only an email address as a contact, there should be a telephone number and a text phone number.
- Colin the Chabot does not work.

### Action taken:

- Electoral Services acknowledged the error and will correct for all future correspondence.
- Electoral Services have appointed a Welsh-speaking member of staff to deal with telephone calls. If no Welsh-speaking member of staff is available, a call back from a Welsh-speaking member of staff will be arranged with the caller.
- Contact details on the Complaints webpage reviewed and updated where necessary.
- Explanation given that the Chabot was initially for the purposes of dealing with Covid-19 enquiries. The Chabot will be trained in due course to deal with complaint enquiries.

**Service Requests:**

The **5** service requests were made up of the following:

<b>No.</b>	<b>Detail(s) of Service Request(s)</b>	<b>Resolution</b>
<b>SR1</b>	New road sign erected which is in breach of the Welsh language Standards, English text is first	New sign erected
<b>SR2</b>	Road sign corrected but now has a typo in it	Road sign corrected
<b>SR3</b>	English address showing on Welsh correspondence from Electoral Services	Entry on the LLPG system has been updated and the Welsh name will be displayed on future correspondence.
<b>SR4</b>	Member of the public not happy that road signs are bilingual Welsh first and that they receive bilingual documentation.	Explained the legal requirement for local authorities to comply with Welsh Language Standards, which include road signage and documentation. Provided contact details of the Welsh Language Commissioner should, they wish to take the issue further.
<b>SR5</b>	Social media post retweeted from Public Health Wales regarding a possible TB Case in a Caerphilly county borough school has typos in the Welsh text. Also questioned the lack of recruitment information in Welsh on the Council's website	Informed the member of the public that the post belonged to Public Health Wales but that we would notify them of the errors. In regards to the recruitment information, we explained that the software was awaiting an upgrade, which would support both Welsh and English languages.

**General Definitions**

Corporate complaints are those that are due to failure of process or failure to operate Council policy correctly. These are complaints that could ultimately be forwarded to the Public Services Ombudsman or Welsh Language Commissioner, for example.

Code of conduct issues around staff behaviour or attitude are dealt with via internal HR processes. Equalities and Welsh language complaints are however something of a hybrid, in that a failure of process may be as a result of the attitudes or opinions of a staff member towards a particular group for example.

## 5. Staff Language Skills

The ability to record Welsh language skills in terms of staff data and analysis is an integral part of the payroll system within Caerphilly County Borough Council. Financial year-end figures to 31 March 2022 are shown below and overleaf. The skills levels are measured in accordance with the language skills guidelines provided by the Association of Language Testers in Europe (ALTE). On pages 21-23 of this report, you will see details of the language skills of staff per service area measures on a scale of 5 being 'Proficient' down to 'No Skills'.

Level 5	Level 4	Level 3	Level 2	Level 1	No Skills
Proficiency	Advanced	Intermediate	Foundation	Entry Level	-

Compared with last year, again we have recorded a slight increase in the number of Welsh speakers within our workforce all directorates.

At the time of reporting last year, the total number of staff and Welsh speakers within the organisation was as follows compared with this this reporting year;

### Council Totals for 2020-2021

## NOTES

- The figures per service area for **Total Staff** and **Welsh Speakers** do not equal the overall total per Directorate due to some members of staff having more than one post within the organisation and those posts are within different service areas.
- As with previous reports, the figures in **5i)** above are the total number of people per directorate who have completed the Linguistic Skills form noting Welsh Language skills.
- The figures shown in **5ii)** to **5iv)** that follow refer to levels of fluency of Welsh speakers per service area and cannot be compared directly with the totals shown in **5i)** because for example, in Corporate Finance (the second section below in **5ii)** the "Level 4" column refers to a staff member who can read, speak, understand and write at Level 4, not 3 different members of staff.

## 6. Welsh Medium Training Provision

Caerphilly CBC has provided conversational Welsh courses for staff and elected members since 2001. Courses are also accessible to members of the public and staff members from partner organisations to attend. The courses range from basic taster courses for beginners to courses, which cater for those who are now fluent Welsh speakers. All courses moved to being held online during the initial lockdown, and from September 2020 onwards, all courses now run online.

The data for the courses offered and attended by Caerphilly CBC staff for the academic year 2021-2022 is as follows;

<b>COURSE OFFERED</b>	<b>NUMBER OF COURSES OFFERED</b>	<b>NUMBER OF STAFF ATTENDING</b>
30 Week	58	33

During 2021-2022, staff were given 2 opportunities to attend a Welsh Language Awareness course, which disappointingly only attracted 10 attendees across the two sessions. This course must be provided for staff in line with **Standard 132**;

*You must provide training courses so that your employees can develop –*

*(a) awareness of the Welsh language (including awareness of its history and its role in Welsh culture);*

*(b) an understanding of the duty to operate in accordance with the Welsh language standards;*

*(c) an understanding of how the Welsh language can be used in the workplace.*

## Appendix A

The Welsh Language Awareness courses can be very effective in changing attitudes and explore the following points:

1. Why do we need to give attention to the Welsh language?
2. What do we need to know about the language and its speakers?
3. How can we act in a way that facilitates the use of the Welsh language?

Staff who attended the sessions gave very positive feedback and a selection of the feedback is below:

- a) I really enjoyed this afternoon's session with Huw but cannot believe the poor uptake!
- b) Huw was both informative and entertaining, providing light humour and a brief history of the Welsh language. I would recommend this course to others. Thank you.
- c) I surprised myself with how much I enjoyed the course and the confidence it has given me to practice the little Welsh I know and the enthusiasm to learn more. I will be recommending the course to others.
- d) I really enjoyed the course. It was informative and interesting and has provided me with the motivation to continue learning Welsh. It was also good to listen to the experiences of others and hear about their exposure to the Welsh language.

An awareness session facilitated by Menter Iaith Caerffili was also delivered to the Youth Service entitled ***The Welsh Language in Youth Work*** and was attended by 8 people.

In accordance with Standard 128, the council must provide training to staff through the medium of Welsh in the following areas:

*You must provide training in Welsh in the following areas, if you provide such training in English –*

- (a) recruitment and interviewing;*
- (b) performance management;*
- (c) complaints and disciplinary procedures;*
- (ch) induction;*
- (d) dealing with the public; and*
- (dd) health and safety.*

## 7. Recruiting to Empty Posts

A total of **850** new and vacant posts advertised since 31<sup>st</sup> March 2021 were categorised as posts where:

- (i) Welsh language skills were essential

**10**

- (ii) Welsh language skills needed to be learnt when appointed to the post

**24**

Welsh language training courses have been available to all staff and elected members free of charge since the 2001-2002 academic years (see **Section 3**)

- (iii) Welsh language skills were desirable,

**810**

- (iv) Welsh language skills were not necessary

**6**

The Welsh Language Skills Assessments in relation to vacant or new posts are undertaken as required by Standard 136, and have been recorded by Human Resources since October 2016. The assessment and supporting evidence then forms part of the business case that is required to gain permission to fill a vacant post or create a new one.

A Welsh Language Skills Assessment is completed for all vacant or new posts, which are advertised as **Welsh desirable** as a standard requirement. The assessment undertaken determines whether any new or vacant posts should be advertised as **Welsh essential**, in accordance with the job role and contact with the public.

### Progress Update

Progress has been made. The recruitment system (iTrent) has been updated to improve end user experience. The revised English version is live but has been subject to changes following feedback, which has led to a slight delay in the translation process, which is now being progressed.
