WARD ACTIVITY

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time.

Despite Covid, I have assisted many residents on various matters relating to housing, planning, waste collection, parking, noise, fly-tipping, overgrown areas, rights of way etc.

I have attended many meetings over the past year with Caerphilly CBC officers, NRW and the local Senedd member, representing the views and issues raised by local residents regarding odours, dust, noise, blasting, etc. Worked closely with representatives of the local community in relation to a number of related planning applications.

Worked with Gwent Police and Safety Wardens to develop a better understanding and to discuss issues arising in the local area such as anti-social behaviour, neighbour disputes etc.

Residents can contact me via email, telephone or via my social media page.

I will continue to passionately support and represent the interests of residents and the local community to the best of my ability.
