WARD ACTIVITY

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time.

Well, it has been another busy year and I can't tell you how much I've enjoyed representing the residents of the Newbridge Ward alongside my ward colleagues. Occasionally, we were not able to achieve the results we were hoping for but, will always do our best and continue making Newbridge Ward a better safer place to live with our regular litter picks on a Saturday morning. Hopefully with covid almost behind us we can get back to normality

Over the past year I have dealt with issues that include:

Housing, fly tipping, cleansing, highways, speeding, road repairs, tree maintenance and anti-social behaviour. These are only a few of the issues that I have been asked to help resolve.

I helped set up Panside Food Bank, which is run on a weekly basis helping vulnerable people. Together with the cost of living crisis and the price increase of fuel and energy, we expect to become even busier, and continue to rely on donations from local people who themselves may find it difficult to carry on.

Constituents are welcome to contact me by phone, email, text messenger, twitter or in person.

Stay safe,

Cllr Adrian Hussey
