WARD ACTIVITY

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance during a difficult time. As restrictions are reduced face to face meetings and site visits are now being re-introduced where suitable.

Both Caerphilly County Borough Council and PTE Community Council have maintained a full series of scheduled council meetings, including all sub-committees and working groups by the use of IT technology.

A conduit has been maintained to my community and network throughout the pandemic period. Additionally, via practical assistance and community work additional support has been provided.

Constituents are welcome to contact me via telephone, email or in person (when restrictions allow). All enquiries are dealt with on a personal response approach.
