Subject: 44 Atlee court

Hi,

I'm writing to you to object the proposed license at 44 atlee court.

My reasons being are

- I think it would bring more antisocial behaviour onto the estate, we have enough as is without it.
- it will be a lot easier for under age drinkers to buy alcohol and cause trouble.
- we have a lot of broken glass in the area and I think this would cause more.
- a lot of children play and walk past/ use the shop who would then be subjected to unnecessary behaviour.
- a pub and off license already caused enough trouble when they were in business, we're trying to make the estate a better and safer environment for our children and the selling of alcohol would be taking steps backwards.
- the children's new build park would become used as a drinking hang out and end up damaged just like the old little park in Alexander court was, which is now just a wasted empty space.

Kind regards
