

Dear Stefan

Please find attached a plan that shows a footpath that has been constructed by Taylor Wimpey, unfortunately they have encroached onto land that is in our ownership (shown in green) without our consent, over the past two months we have been trying to get a response from TW but to no avail. I have now formally written to them asking them to remove the footpath off our land as a matter of urgency.

We felt it was important that you were made aware of the situation.

Kind regards
