## Annex 1 – Mandatory Conditions

### Mandatory conditions where licence authorises supply of alcohol

1. Where a premises licence authorises the supply of alcohol, the licence must include the following conditions.
2. No supply of alcohol may be made under the premises licence –
  - at a time when there is no designated premises supervisor in respect of the premises licence, or
  - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
3. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
4.
  - (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
  - (2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
  - (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—
    - (a) a holographic mark, or
    - (b) an ultraviolet feature.

### Mandatory condition: banning of the sale of alcohol below the cost of duty plus VAT

- (1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price, which is less than the permitted price.
- (2) For the purposes of the condition set out in paragraph 1 -
  - “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979
  - “permitted price” is the price found by applying the formula –
$$P=D+(D \times V)$$

Where

P is the permitted price

D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of alcohol, and

V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;

“relevant person” means, in relation to premises in respect of which there is in force a premises licence –

the holder of the premises licence,

the designated premises supervisor (if any) in respect of such a licence, or

(iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;

“Value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994

- (3) Where the permitted price given by paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given that sub-paragraph rounded up to the nearest penny.

(1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.

(2) The permitted price, which would apply on the first day, applies to sales or supplies of alcohol, which take place before the expiry of the period of 14 days beginning on the second day.

**Annex 2 – Conditions consistent with the operating schedule**

**Not applicable**

### **Annex 3 – Conditions attached after a hearing by the licensing authority**

1. CCTV shall be in use at the premises and shall cover the whole of both the inside and outside areas of the premises. The video and images captured by the CCTV shall be of a sufficient quality to enable the facial recognition of all persons entering the premises. The CCTV shall be fully operational at all times during which alcohol is available for sale from the premises.

The CCTV equipment shall be maintained in good working order and the premises licence holder shall ensure images from the CCTV are retained for a period of 30 days. This image retention period may be reviewed as appropriate by the Licensing Authority. The correct time and date will be generated onto both the recording and the real time image screen.

If the CCTV equipment (including any mobile units in use at the premises) breaks down, the Premises Licence Holder shall ensure the designated premises supervisor (DPS), or in his/her absence other responsible person, verbally informs the Licensing Authority and the Police as soon as is reasonably practicable. This information shall be contemporaneously recorded in the incident report register (referred to in condition 2 below) and shall include the date and time this was done and the name of the individual to whom the information was reported. Equipment failures shall be repaired or replaced as soon as is reasonably practicable and without undue delay. The Licensing Authority and the Police shall be informed when faults are rectified.

The premises licence holder shall ensure that there are trained members of staff available during licensable hours to be able to reproduce and download CCTV images onto a suitable portable medium (e.g. DVD, SD card, memory stick) which shall be provided to any authorised officer of the Licensing Authority or a constable without delay upon request.

There shall be clear signage indicating that CCTV equipment is in use and recording at the premises.

2. The premises licence holder shall require the DPS, or in his/her absence another responsible person who shall be nominated by the DPS from time to time, to keep an Incident/refusals logbook in a bound book in which full details of all incidents are recorded. This shall include details of any refused sales and shall give details of persons involved, incident description, time and date, actions taken and final outcome of the situation. Such recording shall be completed as soon as possible and in any case no later than the close of business on the day of the incident. The time and date when the report was completed, by whom, is to form part of the entry. The logbook is to be kept on the premises at all times and shall be produced to an authorised officer of the Licensing Authority or a constable when required. The records shall be kept for a 12 month period.

3. The premises licence holder shall ensure that a sufficient number of suitable waste bins are located in appropriate locations on the premises for the depositing of waste materials such as food wrappings, drinks containers, etc. by customers and shall further ensure that such receptacles are emptied when full.
4. All sales of alcohol shall be processed through the EPOS terminal/s, which shall give a till prompt to staff reminding them to verify the age of the customer when alcohol is being purchased.
5. All spirit drinks shall be located behind the counter out of the reach of customers and shall not be displayed for sale in any other part of the premises. "Spirit drink" means any alcoholic drink with an alcohol content greater than 15% ABV.
6. All staff/members who serve alcohol shall be trained in the prevention of underage sales to a level commensurate with their duties, including but not limited to the requirements of the 'Challenge 25' scheme set out in condition 7 below. All such training shall be updated as necessary, for instance when legislation changes, and should include training on how to deal with difficult customers and customers who are intoxicated or under the influence of illicit substances. The training should be clearly documented and signed and dated by both the trainer and the member of staff receiving it. The documentation shall be available for inspection on request by an authorised officer of the Licensing Authority or a constable.
7. The 'Challenge 25' Scheme, whereby an accepted form of photographic identification shall be required to be produced by a customer appearing to be under the age of 25 before any alcohol is sold to that customer, shall be adopted and implemented.
8. Acceptable proof of age shall include identification bearing the customer's photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence and passport. Publicity materials notifying customers of the operation of the Challenge 25 scheme shall be displayed at the premises, including a Challenge 25 sign of at least A5 size at the entrance to the premises and where practicable at each point of sale.
