TRUSTEE REPORT FOR THE YEAR ENDING 31 MARCH 2022

Introduction

On behalf of the trustee, I am pleased to present our annual report together with the annual financial statement for the charity for the year ending 31 March 2022. The financial statements comply with the Charities Act 2011, the Objects of The Charitable Trust, and the statement of recommended practice – accounting and reporting by Charities FRS 102.

Blackwood Miners' Institute's ambition is to present a high quality and engaging programme of professional arts and entertainment and be a resource for community and amateur organisations to develop and present their own productions. The theatre provides a wide range of opportunities for people from all sectors of the community to take part in creative activities of their choice.

As has been highly publicised, Lockdown has hit the arts industry particularly hard. During the period to the end of March 2022 Blackwood Miners' Institute was closed, however, we have taken the opportunity to look at ourselves as an organisation and identify where improvements can be made to make ourselves a more resilient and relevant organisation. The reopening of theatres has afforded some light at the end of the tunnel; however, the sector is still in a precarious position with audience trends and behaviour impossible to predict in a post-lockdown world.

I would like to thank our audiences and participants for your continued support and engagement, to our staff for their continued hard work and dedication, and to our partners and funders for their confidence and recognition of a quality arts programme.

Governance and Management

Caerphilly County Borough Council is the sole corporate trustee for the charity. Implementation of the organisation's aims and objectives and the day-to-day administration is undertaken by the Theatre and Arts Service Manager (employee), and the team which is overseen by the Head of Regeneration and Planning. Caerphilly utilises the greater London Provincial Job Evaluation process and uses the nationally negotiated pay spine referred to as the National Joint Council for Local Government Services to determine the pay and remuneration of the charity's key management personnel.

Blackwood Miners' Institute has recently appointed an independent Advisory Group who have skills and expertise in:

- Welsh language (including Welsh learners)
- The arts and an understanding of the arts sector in Wales
- Working with under-represented communities and/or community-based projects
- Inclusion and accessibility
- The climate emergency and/or reducing environmental impact
- Fundraising and income generation
- Financial management
- Business development and growth
- Marketing and sales

The Advisory Group will feed into all aspects of Blackwood Miners' Institute's programme, operations, and business dealings. They will hold no legal position within the governance of Blackwood Miners' Institute but will act in an advisory capacity. The Advisory Group will support the charity to become more sustainable and have a positive impact on our operations.

Our Purpose and Activities

Blackwood Arts Centre, also known as Blackwood Miners' Institute, formerly a miners' welfare institute paid for by the salaries of local miners, was refurbished as a community arts and entertainment venue in the early 1990's thanks to funding from the Welsh Office and Islwyn Borough Council. Today, Blackwood Miners' Institute is one of the most vibrant arts venues in South Wales. We create and present high quality professional and community arts for a diverse range of audiences and participants.

We want everyone to have access to arts and culture regardless of their circumstances and we work hard to create a balanced and affordable programme designed to inspire, educate, and entertain.

We host a variety of events and participatory activities spanning drama, dance, family shows, live music, opera, comedy and entertainment, ensuring there's something for everyone. The purposes of the charity are set out in the building's binding objects in the charitable trust deed (October 1990). These are to:

- Promote, improve, develop, maintain and advance public awareness and participation in, and encourage an appreciation of the art and science of, music, dance, drama, literature and the visual arts.
- Promote, through appropriate activities, the education and training, mental and spiritual capacities of people who are unemployed, young people and pre-school children.
- Educate the public in the geography, history and architecture of the area and sets out the 'Stute's responsibility in safeguarding against drug and alcohol abuse.

Our current mission is:

To deliver exceptional arts and culture that entertains, educates, and enriches lives inspired by and in collaboration with the people of Blackwood and Caerphilly County Borough.

To promote positive health and wellbeing through pioneering participatory activities that are accessible to all.

Vision

Providing inspiration and extraordinary experiences for our audiences.

Values

Bringing the community together, being open and inclusive to all

Maintaining positive relationships and working collaboratively

Inspiring creativity, freedom of expression and passion

Our current aims are:

- Regeneration - To contribute to the economic, cultural, and social regeneration of the region, and to help make Caerphilly Borough a better place to live, visit, and work.
- Welcoming - To promote the arts in a positive and accessible way, to create a relaxed, friendly, and welcoming atmosphere where audiences and participants can feel comfortable in attending the arts and will want to attend more regularly.
- Inclusive - To ensure equality of provision by providing a diverse range of arts activity for a wide range of audiences and participants, ensuring that everybody has easy access to arts and culture.
- Collaboration - To work collaboratively and in partnership and to develop ourselves as a more resilient organisation
- Sustainability – Finding sustainable ways to improve the level of service offered to members of our local communities.

The strategies employed to achieve the charity's aims include:

- Presenting and producing a range of arts and entertainment events including drama, dance, comedy, and live music.
- Programming a balance of professional and amateur events; populist and commercial work which underpins the viability of the theatre and a cultural programme which is supported by external grant funding from Arts Council Wales and others.
- Delivering a wide range of community participation opportunities, with a particular focus on children and young people, to provide opportunities for them to take part in the creative activity of their choice.

Public Benefit

In shaping our aims and planning our activities for the year, we considered the Charity Commission's guidance on public benefit, including guidance on public benefit and charging fees. The Objects of the charity define the area of benefit as the inhabitants of the District of Islwyn and the surrounding districts (now Caerphilly County Borough).

The theatre relies on subsidy from Caerphilly County Borough Council and the income from ticket sales and admission charges to cover its operating costs. In setting our ticket prices and other fees, we strive to ensure Blackwood Miners' Institute remains accessible to those on low incomes. We recognise that local and regional engagement with the arts is low; and the region has higher than average levels of deprivation. Our programme is carefully considered to ensure that everything is programmed with our local community and audiences in mind.

Artistic output during lockdown

As Covid restrictions were tighter in Wales, Blackwood Miners' Institute reopened fully in February 2022 so remained closed for most of the 2021/22 financial year. This had a significant impact on both our programme and our ability to generate income.

During the shutdown, we delivered a number of classes (dance and drama) and outreach activity online. We also supported the development of Black RAT's *The Invisible Man* – a co-production with Blackwood Miners' Institute and *Trwbl Mawr Yn Tremyglyd* – a new Welsh play written by Chris Harris.

Financial Review

We continue to work hard to sustain and where possible increase our income generation especially during rising budget pressures. Caerphilly County Borough Council continues to support the Blackwood Arts Service with subsidy that includes covering any operating deficit in BMI's accounts, the operating deficit and level of subsidy for 2021/22 financial year was £265,291.10. No overspend or underspend is carried over from 2021/22.

The Covid 19 pandemic affected the ability of BMI to raise any income due to the restrictions although Welsh Government provided funding via grant claims for net loss of income. In previous year Management at BMI have worked hard to sustain ticket income through audience development, programme development and careful negotiation with the companies that are programmed.

It was our sixth year as part of the Arts Council's revenue funded portfolio. We received a grant of £130,798 that contributed to subsidising the artistic programme, funding our touring and co-productions, and assisting with the additional marketing and technical support that is required for our increased activity. With Arts Council Wales approval £55,000 was carried over from 2020/21 to support co-productions and commissions. A further £81,262 of the grant has, with ACW approval, been carried forward to 2022/2023 financial year to support co-productions and commissions.

Covid restrictions for part of the year did not allow for any secondary sources of income that normally include bar and confectionary sales. The management, when restrictions allow, will continue to work hard to ensure that sales on the bar and in confectionary are maximised.

Blackwood Miners' Institute has a number of rooms that are available to hire to commercial clients as well as community groups. In 2020-21 room hire was restricted and contributed £5,649.49, but as restrictions lifted the income in 2021-22 to £22,277.85. This is an area that we will be trying to maximise in the future after the restrictions have been lifted.

Reserves Policy

In 2021-22, Blackwood Arts Centre (Blackwood Miners Institute) did not have a reserves policy, as any operational deficit is covered by the subsidy from Caerphilly County Borough.

Our Pricing Policy

In setting our pricing policy we attempt to promote the arts in a positive and accessible way and ensure equality of provision by providing a diverse range of arts activity for a wide range of audiences and participants. We aim to keep ticket prices as low as possible to ensure that everybody has easy access to arts and culture. This is balanced against the need to maximise income to ensure the charity's viability, where earned income makes up approximately 45% of the charity's turnover.

We offer concession prices on most of our live performances. Concessions are offered to the following:

- Senior Citizens
- Registered Unemployed
- Children
- Students
- School Children
- ISIC card holders
- Disabled People (with their Companions or Personal Assistants attending for free if required, under the Hynt Scheme)

Family discounts are also offered on some of our family productions.

We also offer workshop / ticket offers with any outreach work associated with incoming productions, so that young people attending a workshop receive a ticket for the performance, as an incentive to attend the theatre, thus breaking down barriers associated with theatre going.

Risk management

The Charity has reviewed the major risks to the organisation and has systems and procedures in place to manage these risks. The charity analyses, manages and monitors risk in the following way:

1. Identify risk
2. Assess what impact risk would have on activity, outcome or objective
3. Score the risk according to likelihood and severity
4. Identify controls that need to be in place to avoid or minimise impact
5. Quarterly review of risk, assessing progress made and revising score if necessary

Trustee responsibilities

The charity's trustee is responsible for preparing a trustee's annual report and financial statement in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102, the financial reporting standard applicable in the UK and Republic of Ireland.

Charity law requires the trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustee is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustee of Blackwood Arts Centre

I report on the accounts of Blackwood Arts Centre for the year ended 31 March 2022, which are set out on pages 13 to 23.

Responsibilities and basis of report

As the charity's trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act). You are satisfied that the accounts are not required to be audited by charity law and have chosen instead to have an independent examination.

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Act; In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit go beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair' view, and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement – matter of concern identified

I have completed my examination. Last year I raised a matter of concern in my report because I had been unable to obtain sufficient appropriate evidence to support the 'Cash and cash equivalent' balances within the 'Balance Sheet' as at 31 March 2020 and 31 March 2021. The matter has not been resolved for 2021-22 and I therefore have the same concern regarding the 'Cash and cash equivalent' balances within the 'Balance Sheet' as at 31 March 2021 and 31 March 2022. In the absence of evidence, the Blackwood Arts Centre has continued to record nil financial balances as at those dates; and to record nil transactional-balances in the Statement of Cash and Cash Equivalents. The Blackwood Arts Centre has therefore not met the requirements of section 130 of the Charities Act 2011. The Black Arts Centre explains its position on this matter, and its intended actions for 2022-23, at Note I on page 20.

I confirm that no other matters have come to my attention that give me cause to believe that in any material respect:

- accounting records were not kept as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content set out in the Charities (Accounts and Reports) Regulations 2008 other than

any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination: or

- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

I. Cash and Cash Equivalents

The Arts Centre accounts are hosted by Caerphilly County Borough Council and the Centre uses the Authority's bank account to manage its daily cashflows. Caerphilly fully subsidises the Arts Centre by funding any cash deficit arising from its annual operating activities.

As the Arts Centre is fully integrated into Caerphilly County Borough Council's financial systems and uses the Authority's bank account for daily cash flows, it isn't currently possible to separate out the cash position from the Authority's. The Cash and Cash Equivalents figures in the Art Centre balance sheet, and the transactional-balances in the Statement of Cash and Cash Equivalents, have therefore been reported as zero for the current and preceding financial year.

It is the intention to review the position in the current financial year and separate the Arts Centre management accounts from those of Caerphilly County Borough Council to provide full disclosure of the Art Centre cashflows.

Depreciation is charged on a straight-line basis over a designated useful economic life. No depreciation is charged in the year of revaluation.

N. ACCOUNTING POLICIES APPLIED TO THESE ACCOUNTS

The accounts for Blackwood Arts Centre are drawn up under the accounting policies of Caerphilly County Borough Council.

i. All incoming resources are accounted for when the charity has entitlement to the funds, certainty of receipt, and the amount is measurable.

Where income is received in advance for a performance or other specified service it is deferred until the charity is entitled to that income (Receipts in advance at year end)

ii. All resources expended are recognised once there is a legal or constructive obligation to make a payment to a third party.

Cost of generating funds comprise the cost of trading for the bar and vending

Charitable activities include the costs of performances, exhibitions and other educational activities undertaken to further the purposes of the charity

Governance costs represent those costs of the strategic management of the charity and of complying with constitutional and statutory requirements, this includes the independent examination fee.

iii. Support costs are those costs which have not been directly allocated to an activity of the charity but nevertheless support those activities, these costs have been allocated between charitable activities and governance costs as per note D.

iv. Stock is included at the lower of cost and net realisable value

v. Employees of the charity are entitled to join the Local Government Pension Scheme, which is funded by contributions from employee and employer. This is managed in accordance with the Local Government Pension Scheme regulations.

vi. The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005, which has since been withdrawn.
