To whom it may concern,

This petition is to show the strength of feeling concerning the hours being proposed on the application for licencing at 54 to 56 Queens Rd.

Signatures of 45 local residents have been obtained.

The people who have signed this petition are of the same opinion that 11 o'clock at night is too late and not a necessity to be trading.

At this time there is no official information available that states what these premises are going to be used for.

Yours Faithfully
