

EDUCATION SCRUTINY COMMITTEE – 15TH MAY 2023

SUBJECT: YOUTH FORUM PRIORITIES

**REPORT BY: CORPORATE DIRECTOR OF EDUCATION AND
CORPORATE SERVICES**

1. PURPOSE OF REPORT

1.1 This report is to inform Members of the issues raised by Children and Young People via the Youth Services Youth Forum. The report is seeking the views of members prior to its presentation to Cabinet.

2. SUMMARY

2.1 Following the annual Youth Forum Conference in January 2023, Children & Young People have identified current issues that are important to them and have voted on Priority Issues for 2023.

2.2 The previously agreed process that follows the identification of issues has been as follows:

- Presentation of issues to Education SMT for information.
- Young People present issues to Education Scrutiny and Cabinet for information and support.
- Issues are presented directly by Young People.
- Young People form a Project Group that meets weekly to address the Youth Forum priority issue, working directly with Officers and Members as appropriate on a range of initiatives intended to have a positive impact on the issue. This work will continue until December 2023.
- Progress, outcomes, and impact, as a result of young people working to address the priority issue, is monitored through the Education's termly monitoring of the Service Improvement Plan.
- The work of the project group draws to a close ahead of the next conference (January 2024), when the process restarts, and new priority issues are identified. Final impact assessments are completed, and young people receive feedback on progress made.

3. RECOMMENDATIONS

3.1 Members are asked to:

- a) support the presentation of Youth Forum issues, by young people, to the Cabinet;
- b) consider how to support the Youth Forum in addressing their Priority Issue;

c) to have due regard to issues raised within this report by Children and Young People when making decisions which impact upon their lives.

4. REASONS FOR THE RECOMMENDATIONS

- 4.1 To ensure members are informed of the priorities identified by children and young people, and that the voices of children and young people are considered as part of decision-making processes.

5. THE REPORT

- 5.1 The Youth Forum enables young people aged 11-25 to have a voice on issues that affect them. Each year, young people's ideas and issues are identified in a borough wide consultation, structured and organised around five themes: Prosperous Caerphilly; Safer Caerphilly; Learning Caerphilly; Healthier Caerphilly; and Greener Caerphilly.
- 5.2 At the Annual Youth Forum Conference Young People are provided with the opportunity to further explore the issues raised via the borough wide consultation and engage in a dialogue with peers, relevant Officers, and Cabinet members. From exploring all themes within the context of young people's lives, young people identify and agree on a priority issue for each theme.
- 5.3 Following the Conference, an overall priority is voted for by young people representing the Youth Service, Schools and Youth Support Services. The issues are listed below, with the percentage detailing the proportion of the vote through a borough wide ballot in which 2,145 young people participated. The issue with the most votes is the 'priority issue' and the one in which the youth forum will work on for 2023.
- 34% Learning Caerphilly - **Priority Issue**
Life skills – We need more opportunities to learn new skills including living independently, budgeting, car maintenance and BSL.
 - 24% Healthier Caerphilly
Vaping – There is a need to raise awareness about the dangers and long-term effects of vaping.
 - 21% Prosperous Caerphilly
Cost of Living – There is a need to raise awareness of advice and tips to help young people and families in the current cost of living crisis.
 - 12% Safer Caerphilly
Drugs – We need more awareness around the dangers of drugs (eg Nitrous oxide and weed).
 - 9% Greener Caerphilly
Green Outdoor Spaces – We need safe and adventurous play areas for all ages in our communities.
- 5.4 Following the ballot to identify the overall priority issue, the Youth Forum project group have since consulted with school councils and the youth service to further explore the issue and gain a more informed insight into why this is a matter of concern for young people. The project group are in the process of examining the consultation feedback, including generating ideas on how young people can address the issue.

5.5 The Youth Forum will attend Cabinet on 14th June 2023 to present the issues and give an outline of the youth forum's project group activity, including any plans to address the issues during 2023.

6. ASSUMPTIONS
