On 8 October 2020, the Council adopted a new Strategic Equality Plan 2020-2024. Six of the seven Strategic Equality Objectives, as listed below, include Welsh language implications:

Equality Objective 1	Service Planning and Delivery – Understand and remove the barriers people face when accessing services
Equality Objective 2	Education, Skills and Employment – Improve education opportunities for all
Equality Objective 3	Community Cohesion – Promote and facilitate inclusive and cohesive communities
Equality Objective 4	Inclusive Engagement and Participation – Engage with citizens to encourage participation, to have their voices heard when planning service delivery

The Council's Cabinet and Corporate Management Team have been actively involved in discussions and debates around the implementation of the Welsh language Standards since January 2014. A number of reports and presentations have been presented in order to keep them fully informed of ongoing improvements in the provision of services through the Welsh language.

1. Welsh Language Standards: Action Plan

Since the Welsh Language Standards were introduced on 30 March 2016, we have developed a Compliance Work Programme to ensure that services we deliver are in accordance with the Standards, that staff are aware of their obligations and that they have the required language skills where possible.

The Compliance Work Programme is summarised below:

Correspondence - Standards 4, 5 & 7

These standards relate to correspondence, which must be bilingual if we do not know language choice or are sending letters out to a number of people regarding the same subject matter. We must ensure that our letterhead is also compliant.

Action taken:

- FACTSHEET for staff – General Correspondence
- Bilingual auto-signatures on emails for all staff on email along with the following statement:
Gallwch ohebu mewn unrhyw iaith neu fformat.Ni fydd gohebu yn Gymraeg yn creu unrhyw oedi.
Correspondence may be in any language or format. Corresponding in Welsh will not lead to any delay.
- Letterhead templates in place.

Telephone – Standards 8, 9, 11, 14, 16, 17, 19, 20, 21 & 22

These standards relate to how we deal with telephone calls and that a bilingual greeting is given. Staff must be equipped with the relevant language skills to deal with calls in Welsh, and if they are unable, that they know who the Welsh speakers are that are able to deal with the matter, and how to transfer calls. If no Welsh speaker is available to provide the subject specific information the call can be put through to a non-Welsh speaker.

We must state, when we publish main telephone numbers that we welcome calls in Welsh and all our automated telephone systems must be bilingual.

Action taken:

- FACTSHEET for staff– Telephone Greetings.
- Training delivered to staff to ensure they can give basic greetings and provide reception services in our main locations.
- Welcoming Welsh language calls has been published in **Newsline** since the June 2017 edition.
- Employees provided with desk stands, which are Quick Reference Guides.
- Automated telephone messages for service areas recorded bilingually.
- Answer machine messages for service areas recorded bilingually.

Meetings - Standards 24, 24A, 27, 27A, 27D, 29 & 29A

These standards are about how we invite individuals to meetings and when we must offer them the opportunity to use the Welsh language. If they so wish, we must then arrange simultaneous translation to facilitate that meeting.

If inviting more than one individual to a meeting they must all be asked if they wish to use the Welsh language. However, if at least 10% wish to use Welsh then simultaneous translation must be arranged. If less than 10%, the Welsh speakers must be informed that on this occasion we are not required to fulfil their request to speak Welsh at the meeting.

If the meeting with the individual is regarding their well-being, and they wish to speak Welsh, then simultaneous translation must be provided so that the individual can speak in their language of choice. Well-being meetings must be conducted with simultaneous translation if any attendee has requested that they use Welsh

Action taken:

2. Promotion

Make One Small Change Campaign

On St David's Day 2022, we launched a campaign where colleagues, through a year-long engagement campaign, were encouraged to 'make one small change' to further their use and understanding of the Welsh language, particularly within the context of the workplace. Our [Make One Small Change](#) campaign shared ideas, tips and encouraged colleagues to make a pledge about small changes we can all make.

The key message throughout was that there are many small changes that all of us can make in our daily lives which, collectively, can make a big difference. Among these pledges were to use the cashpoint in Welsh, read a Welsh book, and sign up to learn Welsh. Here's an example:

Happy September and welcome to the next edition of the Gwnewch y Pethau Bychain - Make One Small Change.

With the start of the academic year, you may be feeling inspired to learn something new. If so there has never been a better time to make one small change to help further your understanding of the Welsh language and to ensuring CŴBACHYLLY remains an inclusive place to live and work.

Happy Welsh Language Rights Day!

Welsh Language Rights Day is celebrated every year on 7th December and is a chance for public bodies such as ourselves at CCBC to remind you that, as part of the Welsh Language Standards, you can use the Welsh language with us.

So if you're getting in touch with us, by phone, email or by coming to one of our public buildings, why not ask for your service in Welsh? #MaeGenHawl

Internally we made reminded staff about the Welsh Language Standards and what is expected when communicating with members of the public. This included information on answering phones bilingually, ensuring automated bilingual out of office messages are correct, making sure general correspondence is bilingual, and ensuring that Welsh speakers wear lanyards with the Work Welsh logo on them.

Dydd Santes Dwynwen

On 21 January, we put out social media posts explaining the story of Santes Dwynwen and encouraged members of the public to use Welsh language phrases.

 Caerphilly County Borough Council
Dydd Santes Dwynwen Hapus!

St Dwynwen was a fourth century Welsh princess who lived in what is now the Brecon Beacons National Park. Dwynwen was rather unlucky in love and despite being promised to a prince, fell in love with a local boy. Her story ends in heartbreak with Dwynwen fleeing to Anglesey to become a nun where she spent her days praying for true lovers to have better luck than she did.

St Dwynwen is now known as the Welsh patron saint of lovers, and each year on 25th January we celebrate St Dwynwen's Day.

Careers Wales – World of Work with YG Cwm Rhymni and Lewis Girls' School

Over the past 12 months we have been working closely with Careers Wales to build links with our secondary schools, raising awareness of careers with the council but in particular how important having Welsh language skills is in the workplace.

Presentations were made to Year 10 and 11 across both sites of Ysgol Gyfun Cwm Rhymni regarding the importance of Welsh language skills in the workplace, and explain how the language is used as a part of daily work. All these sessions consisted of delivering a number of presentations to pupils promoting career and apprenticeship opportunities within the Council, with the students using their chrome books to search the Council's website for current job opportunities.

The presentation focussed in particular on how important and valuable having and using Welsh language skills are in the workplace. Students were encouraged to wear the 'iaith gwaith' orange speech bubble badges and lanyards to show employers and members of the public that they can speak Welsh.

In February, a presentation was delivered to key stage 4 students at Lewis Girls' School on the use of the Welsh language in everyday life, with a focus on the language as a skill in the workplace. A focus was also put on how the language belongs to everyone, no matter what their ability is in the language and the importance of taking pride in the language and making an effort to learn and use it where possible, as shown in the Slide from the presentation below.

Dydd Miwsig Cymru (Welsh Language Music Day)

In February, we also promoted 'Dydd Miwsig Cymru' by sharing a link to the Welsh Government's website, which provided more information about the event along with a number of different playlists.

Welsh Language Commissioner Investigations

We use this section of the report to detail any Welsh Language Commissioner Investigations. For the duration of 2022-2023, we received 0 new investigations for the fourth year in succession.

Members of the public can view the Council's Complaints Procedure for dealing with complaints made through the medium of Welsh via our website using the following link:

<https://www.caerphilly.gov.uk/My-Council/Strategies,-plans-and-policies/Equalities/Welsh-language-Standards>

Complaints:

The Council's **Strategic Equality Plan 2020-2024** has specific actions, which commits the Council to use its service requests and complaints data to:

- **Equality Objective 1 – Action 5 & Equality Objective 4 – Action 5**
Identify service needs of specific user groups; what barriers prevent access, and what actions are required to remove those barriers
- **Equality Objective 1 – Action 8**
Collect equalities monitoring information for compliments and complaints

During 2022-2023, **1** complaint and **2** service requests were received relating to the Welsh language.

The **1** complaint received raised multiple issues, but reference to the Welsh language related to the complainant wishing to only receive correspondence in English.

Action taken:

- In the response to the complainant we explained why in some instances the Council must provide bilingual communication and outlined the relevant Welsh Language Standards.

Service Requests:

The **2** service requests were made up of the following:

No.	Detail(s) of Service Request(s)	Resolution
SR1	Winter Fuel Support Scheme - On the rejection page, after the Welsh, that the words 'plug in' are there each time, but this does not happen in the English	A problem was found with a piece of coding on the software which affected the online form. Problem resolved.
SR2	Green sacks page on website in English. Problems ordering green sacks on a mobile device.	Web page updated and translated. Issue with software identified and resident provided with assistance to change their password.

General Definitions

Corporate complaints are those that are due to failure of process or failure to operate Council policy correctly. These are complaints that could ultimately be forwarded to the Public Services Ombudsman or Welsh Language Commissioner, for example.

Code of conduct issues around staff behaviour or attitude are dealt with via internal HR processes. Equalities and Welsh language complaints are however something of a hybrid, in that a failure of process may be as a result of the attitudes or opinions of a staff member towards a particular group for example.

4. Staff Language Skills

The ability to record Welsh language skills in terms of staff data and analysis is an integral part of the payroll system within Caerphilly County Borough Council. Financial year-end figures to 31 March 2023 are shown below and overleaf. The skills levels are measured in accordance with the language skills guidelines provided by the Association of Language Testers in Europe (ALTE). On pages 22-24 of this report, you will see details of the language skills of staff per service area measures on a scale of 5 being 'Proficient' down to 'No Skills'.

Level 5	Level 4	Level 3	Level 2	Level 1	No Skills
Proficiency	Advanced	Intermediate	Foundation	Entry Level	-

At the time of reporting last year, the total number of staff and Welsh speakers within the organisation was as follows compared with this this reporting year;

Council Totals for 2021-2022

Council Totals for 2022-2023

Total Staff	Welsh Speakers	%	Total Staff	Welsh Speakers	%
8348	1968	23.57	8535	2100	24.60

Compared with last year, again we have recorded a slight increase in the number of Welsh speakers, however this was only within the Education and Corporate Services, and Social Services and Housing Directorates. We lost Welsh speakers in the Economy and Environment Directorate.

NOTES

- The figures per service area for **Total Staff** and **Welsh Speakers** do not equal the overall total per Directorate due to some members of staff having more than one post within the organisation and those posts are within different service areas.
- As with previous reports, the figures in **4i)** above are the total number of people per directorate who have completed the Linguistic Skills form noting Welsh Language skills.
- The figures shown in **4ii)** to **4iv)** that follow refer to levels of fluency of Welsh speakers per service area and cannot be compared directly with the totals shown in **4i)** because for example, in Corporate Finance (the second section below in **4ii)** the "Level 4" column refers to a staff member who can read, speak, understand and write at Level 4, not 3 different members of staff.

5. Welsh Medium Training Provision

Caerphilly CBC has provided conversational Welsh courses for staff and elected members since 2001. Courses are also accessible to members of the public and staff members from partner organisations to attend. The courses range from basic taster courses for beginners to courses, which cater for those who are now fluent Welsh speakers. During the initial lockdown, all courses moved to being held online; this in turn has led to the majority of lessons continuing to be held online, with a small number of staff attending lessons in person.

The data for the Welsh courses offered and attended by Caerphilly CBC staff for the academic year 2022-2023 is as follows:

COURSE OFFERED	NUMBER OF STAFF ATTENDING
Taster Courses	6
Entry Level Year Courses	31
Foundation Level Year Courses	8
Intermediate Level Year Courses	7
Advanced Level Year Courses	2
Proficiency Courses	7
Withdrawn	5

Caerphilly Council are proud to support staff in a wide range of Welsh language courses via the Learn Welsh website. Courses include year-long courses, lasting between 30 and 32 weeks; online courses, 10 hour self-study modules; summer and residential schools; and taster and supplementary courses, each ranging from Entry Level to Proficiency level.

Caerphilly Staff Figures – 2018-2023

Academic Year	Year courses	Taster and Supplementary Courses	Total Number of Learners	(Numbers withdrawn)
2018 – 2019	53	91	144	<i>(6)</i>
2019 – 2020	62	185	223	<i>(0)</i>
2020 – 2021	27	219	246	<i>(2)</i>
2021 – 2022	35	-	35	<i>(1)</i>
2022 – 2023	50	11	61*	<i>(5)</i>
TOTALS	322	581	879	<i>(21)</i>

*Some members of staff completed more than one course.

The number of staff learning Welsh increased during this financial year to 61. This coincides with us changing the way staff are offered courses and the process for registering on a course. It is now a much more streamlined process which has helped reduce our administration time.

Appendix A

Working closely with the National Learn Welsh centre, staff can start a Welsh course at any point during the academic year, and as noted above courses vary in delivery style and location. Some staff have even followed intensive week long courses at Nant Gwrtheyrn on the Llŷn Peninsula.

To further encourage staff to attend courses, we set-up a 'Clwb Clebran' (chat club) for Welsh learners and speakers, to come together and to create a welcoming environment for staff to use their Welsh language skills. The network of people will support each other in the workplace, and help develop Welsh language skills for the workplace.

During 2022-2023, staff were given 2 opportunities to attend a Welsh Language Awareness course, which attracted 19 attendees across the two sessions, up from 10 attendees from the previous year's two sessions. This course must be provided for staff in line with **Standard 132**;

You must provide training courses so that your employees can develop –

(a) awareness of the Welsh language (including awareness of its history and its role in Welsh culture);

(b) an understanding of the duty to operate in accordance with the Welsh language standards;

(c) an understanding of how the Welsh language can be used in the workplace.

The Welsh Language Awareness courses can be very effective in changing attitudes and explore the following points:

1. Why do we need to give attention to the Welsh language?
2. What do we need to know about the language and its speakers?
3. How can we act in a way that facilitates the use of the Welsh language?

Staff who attended the sessions gave very positive feedback, a comment from which is below:

"The session was very informative with great interaction. I didn't attend the course looking to learn Welsh but came away inspired and motivated to start learning again. I was expecting some information about meeting the Welsh Language Standards but know where to find this now. Thank you and great trainer."

In accordance with Standard 128, the council must provide training to staff through the medium of Welsh in the following areas:

You must provide training in Welsh in the following areas, if you provide such training in English –

(a) recruitment and interviewing;

(b) performance management;

(c) complaints and disciplinary procedures;

(ch) induction;

(d) dealing with the public; and

(dd) health and safety.

No requests from staff were received for any of the above listed courses to be delivered through the medium of Welsh, therefore there are no staff training figures recorded. The above information is published here to provide continuity with previous reports.

6. Recruiting to Empty Posts

A total of **908** new and vacant posts advertised since 31st March 2022 were categorised as posts where:

- (i) Welsh language skills were essential

2

- (ii) Welsh language skills needed to be learnt when appointed to the post

10

Welsh language training courses have been available to all staff and elected members free of charge since the 2001-2002 academic years (see **Section 3**)

- (iii) Welsh language skills were desirable,

896

- (iv) Welsh language skills were not necessary

0

The Welsh Language Skills Assessments in relation to vacant or new posts are undertaken as required by Standard 136, and have been recorded by Human Resources since October 2016. The assessment and supporting evidence then forms part of the business case that is required to gain permission to fill a vacant post or create a new one.

A Welsh Language Skills Assessment is completed for all vacant or new posts, which are advertised as **Welsh desirable** as a standard requirement. The assessment undertaken determines whether any new or vacant posts should be advertised as **Welsh essential**, in accordance with the job role and contact with the public.

Progress Update

In January 2022, the Council received correspondence from the Welsh Language Commissioner relating to the Council's duty to comply with Standards 8, 9, 11, 17, 52, 55, 56, 136A, 137, 137A and 139. Standards 136A, 137, 137A and 139 relate to the Council's recruitment process.

A forward work plan was developed to address a number of urgent matters relating to recruitment.

Appendix A

The following screenshots of webpages and an example job description, are evidence of some of the progress made to date. These were developed to recruit the recent apprentice posts we had created:

To assist with the translation of the recruitment pages and their content, we recruited a Welsh Translator to facilitate this. They commenced their role in February 2023.
