Morning Kathryn I would like to object to the application from Pizza Bites in Ystrad Mynach. All other food outlets in the town stop at 23.00 in the night so to have these serving later than that would be a problem for local residents. We already have major problems there youths still around late at night. One of the residents as now put his house up for sale do to the increasing amount of problems he gets in the night this as been reported to the police and only a couple of weeks ago a youth pulled a knife on him. This shop is next to the mini market which is selling vapes to under age children and as been raided more than once by customs and excise so please think about before you allow them to have extended times.
