## **WARD ACTIVITY**

Over the past year I have continued carrying out my role as a Councillor, representing my community and providing assistance.

I do not hold surgeries as my constituents prefer to contact me by telephone and email.

As face to face meetings have been very limited over the last year, most of my contact has been via the telephone, email or remote meetings.

I continued to represent my ward constituents, maintaining regular contact with housing officers, police, community safety wardens and made referrals to appropriate officers and departments regarding any issues within my ward. Activities at Cartref Community Hall have resumed back to normal.

During the past year I have contributed to the cost of improving the local environment with planting and general tidying up. I have thoroughly enjoyed working outside on this venture and would like to thank all the wonderful volunteers for their help, I could not have done it without you!

I am also an elected Councillor on Bargoed Town Council and attended remote meetings supporting the local community.
