CONSTITUENCY ACTIVITY

I do not hold ward surgeries as my constituent prefer to contact me directly when I am out and about in Newbridge. The community know me well, as I worked in the local post office for many years and will stop and speak to me in person and bring any issues or concerns to my attention. The residents of the area know that I am available to them at all times and will actively pursue any problems on their behalf.

I attended Planning Site visit on behalf of local residents and presented their objection to the appropriate Officers and Chair of the Planning Committee.

I have reported highway and environment concerns to the appropriate department.

I have attended some PACT meetings and taken issues forward on behalf of the community.
