Subject: RE: Rhymney Garage Premises Licence Application

Good morning Lee,

Regarding the request of the applicant and the sale of alcohol until 2am, Gwent Police would not consider this and would seek for it to remain at 2300hrs, it is believed that the sale of alcohol until 2am would only exacerbate the calls in the local area as our representations have shown, this was discussed with the applicant when I met with him at the site some weeks ago and due to the local area and the highlighted ongoing issues Gwent police would not agree to his request of 2am then as it is believed that any later would undermine the promotion of the licensing objectives.

Cofion gorau | Kind regards

Adrian Jones

Subject: Re: Rhymney Garage Premises Licence Application

Dear Mr Lee,

Further to my previous email, I would like to inform that we are happy to accept the conditions (below) listed by Police, in full. Hope this will satisfy their concerns.

What conditions could be added to the licence to remedy your representation that the Licensing Sub-Committee could take into account

The suggested conditions and variations to the license are as follows:

The applicant has proposed: **CCTV in Operation.**

Gwent Police would like it to read:

CCTV shall be in use at the premises and covers the outside area of the premises

Where a CCTV system is to be installed, extended or replaced, it shall be to an appropriate standard as agreed with the Licensing Authority in consultation with the Police. Where a CCTV system is to be installed, it shall be fully operational by such date that the business is operating and the premises license is in place. Where existing CCTV systems are to be replaced or extended the replacement or extension to the system shall be concluded by the business trading date and its premises license is in place and the system be fully operational on that date;

The CCTV equipment shall be maintained in good working order

The premises licence holder shall ensure images from the CCTV are retained for a period of 30 days. This image retention period may be reviewed as appropriate by the Licensing Authority;

The correct time and date will be generated onto both the recording and the real time image screen;

If the CCTV equipment (including any mobile units in use at the premises) breaks down the Premises Licence Holder shall ensure the designated premises supervisor, or in his/her absence other responsible person, verbally informs the Licensing Authority and the Police as soon as is reasonably practicable. This information shall be contemporaneously recorded in the incident report register and shall include the time, date and means this was done and to whom the information was reported. Equipment failures shall be repaired or replaced as soon as is reasonably practicable and without undue delay. The Licensing Authority and the Police shall be informed when faults are rectified;

The premise licence holder shall ensure that there are trained members of staff available during licensable hours to be able to reproduce and download CCTV images into a removable format at the request of any authorised officer of the Licensing Authority or a constable;

There shall be clear signage indicating that CCTV equipment is in use and recording at the premises

The applicant has proposed: **A register of refusal of sales will be kept and maintained on the premises.**

Gwent Police would like it to read:

The premises license holder shall require the designated premises supervisor, or in his/her absence other responsible person, to keep an Incident/refusals logbook in a bound book which full details of all incidents are recorded. This shall include details of any refused sales and shall give details of persons involved, incident description, time and date, actions taken and final outcome of the situation. This shall be completed as soon as possible and in any case no later than the close of business on the day of the incident. The time and date when the report was completed, by whom, is to form part of the entry. The logbook is to be kept on the premises at all times and shall be produced to an authorised officer of the Licensing Authority or a constable when required. The records shall be kept for a 12 month period.

The applicant has proposed: **Adequate bins will be available for customers to dispose of their litter.**

Gwent Police would like it to read:

The premises licence holder shall ensure that a sufficient number of suitable bins are located in appropriate locations for the depositing of waste materials such as food wrappings, drinks containers, etc. by customers
