

## APPENDIX 4: PROJECTED OUT-TURNS

It is important to recognise that these are *projected* out-turns, based on assumptions made within the development appraisal. Officers consider that prudent assumptions have been made and that it is *reasonable* to expect these out-turns; however, the model will be tested at appropriate points within the pilot and management reports will be issued to the Acting Director of Corporate Services & S151 Officer. It is not proposed that these management reports will form the basis of further cabinet reports, unless undue variance is experienced within the pilot.

A further report will be presented on the actual results of the pilot exercise.

The out-turns have been grouped into six key areas:
