Williams and R. Woodyatt declared an interest as it relates to the budget (as having family members and relatives employed by the Council who may potentially be affected by the savings proposals and in relation to the car user allowance).

Councillor Miss L. Ackerman declared a personal interest (in that her mother receives a social services provision).

The above were declared as personal interests which enabled the Members to stay and take part in the discussion and voting thereon.

During the course of the debate Councillor M.P. James and D.T. Hardacre declared a personal interest (in that they are both a Chair of a Community Partnership).

Consideration was given to the report which was presented to Cabinet on the 4th February 2015 and provided information on the budget proposals for 2015/16 and the medium term financial plan for 2015/2018. The Acting Director of Corporate Services outlined the key

points of the final Local Government Financial Settlement and asked Members to note the changes from provisional to final settlement including the increase in Aggregate External Finance and reduction in the Fire Service Levy for 2015/16. It was noted that in light of these changes some amendments were made to the savings proposals as detailed in table 7 of the report.

With regard to the Medium Term Financial Plan Mrs Scammell highlighted the key elements and detailed the extensive consultation process undertaken. Reference was made to the 5 key saving proposal principles put forward by Members at a seminar on the 3rd November 2014 to be considered by Council this evening.

Mrs Scammell then gave an overview of the General Fund Balances as detailed in Appendix 9 of the report. It was noted there were no further allocations to the General Fund over and above those identified. Balances were noted at just over £10m which represented 3% of the budget. Going forward there would be limited scope for any additional surpluses due to growing service pressures in key areas, ongoing reductions in WG funding and an ever-reducing Capital Programme.

In terms of the detail of the Capital Programme, Members were referred to Appendix 8 of the report and a summary of proposals for 2015/16, 2016/17 and 2017/18 was provided.

It was proposed and seconded that the recommendations within the report be approved.

An amendment was moved and seconded that in order to retain the Area Forum budget for community schemes the increase in Meals on Wheels be set at £1 per meal.

During the course of the debate on this amendment clarification was sought with regard to Members involvement in Community Partnerships and whether declarations of interest needed to be made in this regard. The Interim Monitoring Officer advised that given the general nature of the discussions and that most, if not all Councillors would have some level of involvement with Community Partnerships there was no need to declare an interest. However Members would need to be mindful of the code of conduct, should an individual reference be made to a particular partnership and a Members' position or involvement within it.

Councillor M.P. James and D.T. Hardacre declared a personal interest (in that they are Chair's of Community Partnerships).

In accordance with Rule of Procedure 15.4 (1) a request was made for a recorded vote.

7. REPLACEMENT OF A MEMBER OF CORPORATE MANAGEMENT TEAM

Consideration was given to the report which proposed the recruitment arrangements to replace a member of the Corporate Management Team. The Interim Chief Executive confirmed the resignation of Ms Sandra Aspinall, Acting Deputy Chief Executive, and explained the need to recruit to this post in order to ensure that there was sufficient capacity within CMT to be able to effectively manage the Councils operations.

Members were also asked to note the authority's statutory requirement to designate a Chief Education Officer however this role did not need to be at a Director level and in many authorities this now sat at a Head of Service level. Members were reminded that in recent years the number of Corporate Directors had reduced to four and any further reduction would jeopardise the management of the authority. For this reason and in order to encourage a greater breadth of applicants, a more flexible approach was proposed for the recruitment to the post of Corporate Director, rather than recruiting specifically to a Director of Education post. This would allow greater flexibility in appointing the most suitable and experienced person with the intrinsic skills necessary to embrace a changing and developing portfolio.

The recruitment process was outlined and Members advised that this would include the national advertisement of the post in order to comply with Welsh Government requirements.

During the course of the ensuing discussion clarification was sought as to whether any additional cost would be attached to the re-designation of the Chief Education Officer and if this vacancy would be filled on a permanent or interim basis, particularly when there was such uncertainty as to the position of the currently suspended Officers. The Interim Chief Executive confirmed that as this would be a recruitment to a vacant post it would be done so on permanent basis and there would be no addition cost involved with the designation of the Chief Education Officer.

Clarification was also sought as to recruitment process for the re-designation and Members advised that there was a specific procedure that would need to be followed in this regard.

It was moved and seconded that the recommendations contained in the report be approved and by a show of hands (and in noting there were 4 abstentions) this agreed by the majority present.

RESOLVED that for the reasons contained in the report:-

- (i) the post of Corporate Director to replace the departing substantive postholder be advertised;
- (ii) a Head of Service be designated as 'Chief Education Officer' who will report to one of the Corporate Directors;
- (iii) the post of 'Acting Deputy Chief Executive' not be replaced during the ongoing period of uncertainty with the suspension of the substantive post holder;
- (iv) the recruitment be advertised nationally on the Councils' approved salary arrangements listed in its Pay Policy Statement (The approved salary of CCBC's Corporate Director posts fall within a range of four incremental points between £107,396 rising to a maximum of £118,329 per annum).

The meeting closed at 7.01 p.m.

Approved as a correct record and subject to any amendments or corrections agreed and recorded in the minutes of the meeting held on 10th March 2015 they were signed by the Mayor.
