. Improve standards of attainment for learners in all Key Stages, specifically at Key	Keri Cole
Stage	
1a. IO: Improve outcomes for all learners, particularly those vulnerable to	
underachievement	
Performance within this indicator needs to improve and compare better with the perform	
authorities. This measure can effect the life chances of learners, as achieving this indic	ator at 16 opens up
urther education, employment and training opportunities.	
a. Vulnerability in education can be determined by a number of different factors includir	ng deprivation. It car
also be can determined by whether the child or young person has an additional learn	ning needs, or is a
Looked After Child (LAC). Data identifies that there is performance gap between tho	se within these
groups and that of the overall population. We have chosen to undertake some intens	
to try and reduce that gap, and ensure that all young people are provided with appro	priate opportunities
to help them achieve success, both in the classroom and beyond.	
2. Progress the implementation of Behaviour Strategy	Keri Cole
Data over the last 3 years has indicated continued challenge around the management of	
schools and settings. Despite the reduction in exclusion rates, evidence suggests that o	•
